

2022 Service School

The 3500 square foot, temperature controlled TYMCO Training Center provides space for demonstrations on an operational sweeper and systems components.

From The People Who *Invented* Regenerative Air Sweeping!

Attendees review components of the pick-up head assembly during removal and installation.

Instructor reviews proper maintenance, removal and installation of the blower assembly.

A Service School attendee receives her TYMCO Certificate of Completion.

2022 Service School Schedule

- In response to the Coronavirus (COVID-19) pandemic, TYMCO has opened a limited number of Service School classes at a reduced maximum capacity for 2022 as of the time of this publication (Version 2, 3/15/2021).
- Classes may be modified or canceled due to low enrollment, changing conditions of the pandemic, or local and state requirements. Additionally, TYMCO, Inc. reserves the right to refuse registration/attendance to anyone whose attendance, in TYMCO's sole discretion, may adversely affect TYMCO personnel or other attendees.
- Private classes may be scheduled upon request for groups of 6-10 people.
- All Service School attendees and their supervisors will be required to sign a waiver stating that they will follow safety guidelines established by TYMCO and understand the risk of injury and possible exposure to disease including COVID-19 prior to attending the class.
- Please contact us through our contact form at www.tymco.com or at 1-800-258-9626 with any questions.

For over thirty years, we've offered scheduled training schools at our manufacturing facility in Waco, Texas. Managers, owners, operators and mechanics get hands-on training with personal attention and the opportunity to learn from experiences of other attendees.
