

2023 Service School

The 3500 square foot, temperature controlled TYMCO Training Center provides space for demonstrations on an operational sweeper and systems components.

From The People Who *Invented* Regenerative Air Sweeping!

Attendees review components of the pick-up head assembly during removal and installation.

Instructor reviews proper maintenance, removal and installation of the blower assembly.

A Service School attendee receives her TYMCO Certificate of Completion.

20 - 21 Model 600

- Classes may be modified or canceled due to low enrollment, travel conditions or other unforeseen circumstances. Additionally, TYMCO, Inc. reserves the right to refuse registration/attendance to anyone whose attendance, in TYMCO's sole discretion, may adversely affect TYMCO personnel or other attendees.
- The second half of the 2023 Service School Schedule will be posted at a later date.
- Private classes may be scheduled upon request.
- All Service School attendees will be required to sign a waiver stating that they will follow safety guidelines established by TYMCO and understand the risk of injury prior to attending the class.
- Please contact us through our contact form at www.tymco.com or at 1-800-258-9626 with any questions.

All scheduled Model DST-4 and Model DST-6 classes are held on the Thursday following the standard Service School classes. The Model 210 and Model 600 classes will cover the Model 210h and Model HSP as needed.
