

2027 Service School

The 3500 square foot, temperature controlled TYMCO Training Center provides space for demonstrations on an operational sweeper and systems components.

From The People Who *Invented* Regenerative Air Sweeping!

Attendees review components of the pick-up head assembly during removal and installation.

Instructor reviews proper maintenance, removal and installation of the blower assembly.

A Service School attendee receives her TYMCO Certificate of Completion.

2027 Service School Schedule

Classes may be modified or canceled due to low enrollment, travel conditions or other unforeseen circumstances. Additionally, TYMCO, Inc. reserves the right to refuse registration/attendance to anyone whose attendance, in TYMCO's sole discretion, may adversely affect TYMCO personnel or other attendees.

All Service School attendees will be required to sign a release stating that they will follow safety guidelines established by TYMCO and understand the risk of injury prior to attending the class.
